

MARKET WAS LOWER

Hogs Drop 5 Cents.—Business on the Decline.

TOP PRICE WAS \$4.80

Cattle Market Steady—Receipts Were Light

The market yesterday was rather on the inactive order and business was quite dull about the yards. Hogs were 5 cents lower, and the quality of the receipts was poor and light. The highest figure reached was \$4.80, and the bulk of the sales went at \$4.65 to \$4.75.

The hog market was on the decline in other places, and showed a big decrease in receipts. Indications are not at all favorable for a change to the better within the next few days.

Very few cattle were received and the market was steady.
